	Company for Approval of A Contract for	)	APPROVING
	Electric Service Between South Carolina	)	CONTRACT
	Electric & Gas Company and Pella	)	
	Corporation.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Electric & Gas Company (SCE&G or the Company) for approval of a contract between it and Pella Corporation for electric service, pursuant to 26 S.C. Code Ann. Regs. 103-303 and 103-804(Y)(2)(a) and (b). According to the Company's request, the contract governs the Company's service to Pella's plant near West Columbia, South Carolina. Pella will manufacture windows.

The Office of Regulatory Staff (ORS) has reviewed the terms of the contract and has no objection to the proposed electric service contract. According to ORS, this contract was executed under SCE&G's economic development program and provides standard type rate incentives. The Pella facilities are located in existing premises that were previously vacated. ORS recommends that, should this Commission approve the contract, that a provision should be included in the approval to include a provision to require SCE&G to track any resulting revenue shortfall and reserve the appropriate
